Special Issues of Journals

October 10, 2007

This is a list of the single issues of journals that have been acquired by the National Reference Center for Bioethics Literature. To date, 1,570 issues have been added to the collection. For assistance, please ask at the Reference Desk.

Special issues are located in one of three places:

1. **Special Issues shelf** at the end of the Z's in the journal collection, indicated by **(SI)**
2. **Book shelves**, indicated by a **(call number)**
3. **Green file cabinets** hold dismantled issues that have been classified; each relevant article from the journal has been placed in the appropriate file drawer under class number and then by author. Dismantled issues are indicated by italics.
